

## AMAZON W-FLOW SYSTEM

18' x 7' 6" x 4' 9" | 2 sitting places, swim area

Exceptional solutions, available with semi cabinet design. We have now designed two sitting places. A side-mounted filter housing is now placed at the end of the swimming area, so that the floating area is wider. Versatile use, perfect combination for swimming and children's paddling. W-Flow system: specific training solutions with customizable swim features.
